

Chet M. McAbee

Taylors, SC 29687

SUMMARY OF QUALIFICATIONS

10 years of public service as a Codes Enforcement Officer and Plans Examiner. Specializing in the Mechanical and Fuel Gas codes adopted by the International Code Council and formerly the Southern Building Code Congress International. Excellent communication skills and exceptional ability to work with contractors, public officials, and the general public. Previous customer service and route sales experience. Extensive knowledge of the upstate area with an excellent driving record.

EXPERIENCE

ICC Certifications as a Mechanical Inspector and Plans Examiner since 1999.
Certified with the South Carolina Building Codes Council since 1999.
145 plus hours of continuing education in Codes Enforcement since 1999.
10 plus years in the HVAC Trade industry (Sales, Installations).

ORGANIZATIONAL

Organized daily inspections to minimize travel, fuel consumption, and to increase time on job sites with contractors, public officials, and general public. Arranged meetings with contractors on large commercial projects to allow time for plan review and questions that arise from inspections. Always ready to help solve code issues and gave detailed accounts of inspection results.

EMPLOYMENT

1999 – 2009	County of Greenville, Mechanical Inspector / Plans Examiner
1994 – 1999	E & M Mechanical, Inc. (Partnership) HVAC Sales & Installation

SKILLS

Proficient in AS400, Windows. Well-organized and efficient, honest, friendly, outstanding communication skills, dependable and ability to follow directions with minimal supervision.
